Purchase of Articles By Public Agencies

Correctional Industries exist primarily for providing a work-training program for inmates of the Department of Corrections. Our secondary and equally important purpose is to assist all state departments, institutions, and political sub-divisions of the state in securing their requirements to the extent that we are able to supply them.

Frequently Asked Questions

Q: What is ACI?

A: ACI is Alaba Correctional Industries, a division of Alabama Department of Corrections.

Q: What does ACI do?

A: ACI utilizes inmate labor to produce goods and services that are sold to governmental entities within the State. The revenues generated go to offset the costs of incarceration and provide inmates with job skills and practical work experience that facilitates a successful re-entry into society upon their release.

Q: Who can buy from ACI?

A: Goods and services provided by ACI can only be acquired by those entities whose operational budgets are funded all or in part by tax revenues (e.g. state, county, and city governmental and educational organizations).

Q: Doesn't state bid laws require me to take bids on items over certain dollar amounts?

A: State agencies may purchase any amount of goods and services from ACI without competitive bidding. This saves time and money for you. In most cases, local government entities may also purchase from ACI without soliciting competitive bids. Please consult your local purchasing regulations if in doubt.

Q: If I qualify, how can I purchase from ACI?

A: Two ways:

1. You can contact our Sales offices at (334) 261-3600 for more information and to request that one of our salespersons come to see you.
2. You can personally visit our showrooms at 1400 Lloyd Street in Montgomery. Our sales staff will be glad to show you what we have to offer.

Q: Why should I buy from ACI?

A: While Alabama statute requires that State agencies purchase the goods and services that ACI provides, ACI prefers to market its products on the basis of exceptional quality at a reasonable price. Purchasing from ACI also helps fulfill our mission of providing meaningful work experiences for inmates. National studies have shown that structured inmate work programs reduce recidivism rates, which result in additional savings of tax dollars.

Q: Does ACI deliver?

A: Yes, ACI offers free shipping and installation or set up with every purchase (not just loading dock drop-off !!).

Lateral Files

**WHEN OFFICE SPACE IS LIMITED,
LATERAL FILES ARE THE ANSWER**

The main ingredient is ability: durability, reliability, and expandability. Lateral files offers this and more. It's cost-conscious and easy to specify, which makes it perfect for filling in the gaps without going over budget. Protect and organize all your most important documents with the durability, practicality, and attractiveness of lateral File cabinets. They will not only complement any interior but will make it easy on your budget. Available in 2-dwr., 3-dwr., 4-dwr., and 5-dwr. Units in widths of 30", 36" and 42". Locks are included in all cabinets. All Cabinets are 18" deep.

Dual-side Locking

Drawers and doors lock on both sides to prevent being pried open.

Interlock System

This mechanism inhibits roll-out of more than one drawer or shelf, either sequentially or simultaneously.

Fully Enclosed Bottom

Double bottoms are welded into all files for added rigidity.

Four Hex-head Leveling Glides

Leveling glides can be adjusted from outside or inside the case. Because of the hex-head design of the stem, leveling can be done even when the file is fully loaded. Range is 1".

Suspension

Telescoping, ball-bearing slides.

Pull Style

All Cabinets have integral Pull Handles allows for total design coordination on projects.

Side Knockouts

Files have knockouts on each side to allow easy ganging of freestanding units to inhibit tipping.

Paint Finish

Durable baked enamel finish is applied over rust-inhibiting phosphate pre-treatment.

Hanging Frames

Side-to-side come standard. Front-to-back filing option — hang rails are required.

Counterweights

Counterweights included and factory installed as required.

Drawer Interiors

Interiors and all accessories painted gray.

Custom Drawer Configurations

Optional Drawer configurations are available for binders, Tapes, etc.

With a roll-out shelf, no file is left in darkness. It rolls forward easily, exposing its contents to the inquiring eye.

Ball-bearing suspension means drawers move smoothly and quietly, regardless of the weight of the contents.

An optional posting shelf pulls out effortlessly to provide a temporary work surface for making a note or holding files in transit.

THINK “UP”—NOT “OUT”

When you need to store a lot of files and paperwork. Vertical files provide the most efficient approach to maximum storage capacity with a minimal footprint. Archive all your files, and still have plenty of floor space in the office.

Best long-term archival filing storage system available.

High drawer sides hold hanging folders without use of hangrails.

Premium quality construction means strong, durable long-life cases.

Interchangeable core removable locks for security.

Available in two widths, for either letter- or legal-size documents.

Locks included with all cabinets

THE BEST RECORDS PROTECTION YOU CAN BUY

FireKing®

Fireproof Files

SECURITY, PROTECTION AND PEACE OF MIND

What are your most important documents? How would losing these documents affect your business? What are you doing to protect them? **THE RIGHT FIREPROOF FILE IS NOT JUST THE ANSWER. IT'S A SERIES OF QUESTIONS.**

1 or 2-Hour Protection
31" x legal or letter widths.
2-3- or 4-drawer.

1-Hour Protection
31" 38" or 44" widths
2-3- or 4-drawer.

FIREKING VERTICAL FILES— Protection Plus Safe-in-A-File Features

2.4 cubic foot capacity
Inner safe door constructed of 1/4" steel
Safe features internal relocking device
Both safe and file drawers offer fire proof protection
UL-listed Group II combination lock
Safe interiors are available in parchment and platinum.

FIREKING VERTICAL FILES— Protection Plus Electronic Lock File Features

Six-digit combination code for quick opening
Master code and up to eight different user codes.
User code can be changed or deleted in seconds.
Drawers lock automatically when closed to ensure document security.
UL-listed Group II combination lock with internal relocking device.

DRAWER LOCKS on all files provide general locking of all drawers through either standard key locks or UL-listed, high-security locks.

FIREPROOF INSULATION is 100% gypsum, reinforced by a 1"x2" lattice made of 14-gauge, galvanized welded-steel wire, providing complete peace of mind from fire, impact, or explosion.

FIELD-REPLACEABLE STEEL PANELS In the event that any panel is damaged, it can be easily replaced.

FINISH is an environmentally friendly, electrostatic powder coating, applied to all sides, including bottom. The finish is scratch-resistant, providing a lifetime quality appearance.

DRAWER BODIES are built with high sides for use with hanging folders-no additional frames are required.

DRAWER SUSPENSIONS are maintenance-free and guaranteed for life.

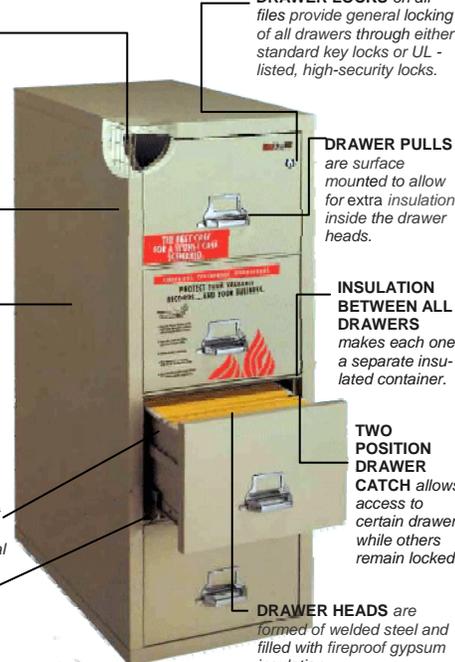

DRAWER LOCKS on all files provide general locking of all drawers through either standard key locks or UL-listed, high-security locks.

DRAWER PULLS are surface mounted to allow for extra insulation inside the drawer heads.

INSULATION BETWEEN ALL DRAWERS makes each one a separate insulated container.

TWO POSITION DRAWER CATCH allows access to certain drawers while others remain locked.

DRAWER HEADS are formed of welded steel and filled with fireproof gypsum insulation.

Deluxe Storage Cabinets

The Deluxe Series Storage Cabinets have set the standard for quality, convenience and performance for over thirty years. Heavy gauge steel throughout and 16 Gauge door frame construction combined with up to four knuckle-hinges to make these the most rugged cabinets of their kind.

Deluxe Features:

- Adjustable Shelves
- Reinforced Doors
- Four Knuckle-Hinges Per Door
- Two Brushed Chrome Handles
- Three-Point Locking
- Raised Base
- Built-in Shelf Support
- Two Adjustable Levelers
- Size Options
- Ventilation Louvers
- Heavy Gauge Steel

Standard Storage Cabinets

The standard Series Cabinets offer many of the same features of the Deluxe, including heavy-duty construction, three-point door locking mechanism, raised bottom and built-in shelf support tabs. All at an exceptional value. It's the perfect choice for office or industrial applications.

Standard Features:

- Adjustable Shelves
- Size Options
- Three Leaf-Hinges Per Door
- Reinforced Doors
- Three-Point Locking
- Chrome Handles
- Built-in Shelf Support
- Raised Base

Jumbo Storage Cabinets

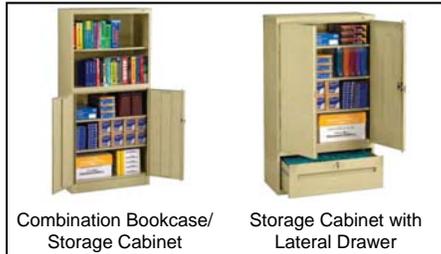

Need extra capacity for those "big" storage problems? The 48" wide cabinets provides 13 more cubic feet of storage than a 36" wide cabinet. The specially engineered shelves utilize box-formed construction to accommodate heavy loads even with the extra wide shelf span. Extra wide doors ride on four heavy-duty leaf-hinges while a three-point locking system ensures secure storage for even the bulkiest materials.

Combination Storage Cabinets with Rollout Lateral File Drawer.

These popular 36" wide cabinets give you both: a rollout lateral file for hanging files and up to four adjustable shelves for that much needed workstation storage. For confidential materials, these cabinets offer secure access thanks to its key lock and locking bars that secure both doors. For added security the Lateral Drawer has a separate lock and key.

Bookcase/Storage Cabinet

This cabinet allows you to place valuable materials in the lower cabinet, which can be locked or place everyday materials at your fingertips using the upper shelves of the bookcase.

Combination Bookcase/Storage Cabinet

Storage Cabinet with Lateral Drawer

Adj. Shelves—Adjustable in 2" increments without tools. Our integrated shelf support tabs mean there are no clips or added parts to lose.

3-Point Locking—Just turn the handle and doors lock at three points for maximum security. Nylon guides help make operation quiet.

Raised Base—Cabinet

Bases use a "box" construction technique for added overall stiffness. The base also keeps materials out of harm's way from cleaning liquids.

See Available Color Selection (ON BACK COVER)

Boltless Shelving

PRE-ASSEMBLE FOR INSTANT USE...MAXIMUM STRENGTH

Extra Heavy Duty shelving provides easy access to stored items from all sides. Super-strong roll formed steel framing with positive interlocking beam and post connections. Easily reconfigure unit as your requirements change.

Heavy-Duty or Extra Heavy-Duty Boltless Storage Rack with Wood Decking

Boltless assembly with snap together components requires no nuts, bolts, clips or tools. Uprights are a substantial 1-1/2" x 2-1/4" x 14 gauge steel. Available in 5' to 8' high units with widths from 36" wide to 96". Shelving is made from rugged 5/8" particleboard in depths from 12" to 48".

All shelving comes in a durable gray baked enamel finish.

SYSTEMS FOR SUCCESS

Records Filing

THE RECORDS FILING SYSTEM THAT'S RIGHT FOR YOUR BUSINESS

A open records filing shelving system that is versatile, cost-effective and low-cost solution to all of your filing needs. Whether it's office record filing or healthcare record filing we have the right choice for you.

L&T Shelving provides the highest filing density per square foot, whether you're filing letter or legal-sized documents. L&T can be configured to offer single or double-sided record access for easier filing and retrieval in less space. Compared to conventional four-drawer vertical files you would need 100 square feet of floor space to hold 1500 linear inches of material, while L&T Shelving only needs 40 square feet. That's a floor space savings of 60%.

L&T Shelving offers a wide array of components designed for open shelf filing applications. Choose from 22 or 18 gauge shelves based on load requirements. Optional backs, file dividers and reference shelves allow you to build or expand a system to meet your filing needs. Handling odd sized and oversize diagnostic records is a snap with L&T X-Ray Shelving. Our sturdy 18-gauge shelves, with optional reinforcements, can be configured to hold up to 1,000 lbs. per shelf. Extra high 12" dividers or optional full-height bin dividers assure that materials stay safely upright and organized.

All L&T Shelving Systems incorporate the ability to be reconfigured at any time to meet changing needs. Its unique keyhole slot design allows expansion as your business needs grow. L&T Shelving's unique design offers the ability to adjust shelves up or down to accommodate your exact requirements. This feature means you store more per square foot than other lesser shelving systems! L&T Modular Drawer System is the ideal storage solution where small items need to be stored along with filing or larger items. You'll also find that combining L&T Modular drawers with your shelving makes it possible to store 50% more small parts and media in the same space. Each drawer rides on a fully progressive side-arm suspension rated for loads up to 200 lbs. per drawer.

Steel Bookcases

**ADJUSTABILITY — EXPANDABILITY —
STYLE**

We Now Offer three styles of bookcases depending on your needs:

Welded Bookcases—you'll appreciate the cool, contemporary look of these cabinets. No exposed bolts offer a smooth front case design.

Bookcases and Case Style Files—These bookcases offer the ultimate in flexibility and value. Shipped to You Assembled, they handle files, books—you name it!

Executive Bookcases—Choose these bookcases for their refined, polished look. Sliding tempered safety glass doors protect materials from dust, while a safety lock prevents unauthorized access.

Welded Bookcase

You're really going to appreciate the cool, contemporary look of these Welded Bookcases. Their smooth front case design offers a style that effortlessly blends into any office decor. Both highly functional and extremely efficient, Welded Bookcases are available in 2, 3, 4, 5 and 6 opening models. Units are available in 34½" wide and 13-1/2" deep, which provides a stable footing yet allowing for convenient placement in hallways or offices while the 18" depth and 35-7/8" width allows a wide range of materials to be stored safely and conveniently. You can place all types of materials especially those that have a large footprint. If your application involves large legal format folders, expandable envelopes or any other larger media, you'll be pleased that these bookcases help your materials remain safe from overhanging folders.

Assembled Bookcase

Shipped to you assembled. Shelves adjust easily in 1-1/2" increments without removing or adjusting other shelves. Bookcases can be easily expanded. Simply remove the end panel and attach one unit to the next. Base keeps books and files off the floor to prevent damage from cleaning solutions and equipment. Bookcases come standard with one adjustable divider per shelf. Additional dividers are available to meet individual requirements.

Executive Bookcase

Sleek, contemporary rounded top blends with any style of office furniture. Glass doors slide smoothly from side-to-side thanks to finger pulls and upper and lower tracks that offer easy opening form either side. Tempered safety glass doors offer protection from dust and contaminants while a steel keyed lockset secures materials from unauthorized access. Case and shelves are constructed of heavy gauge steel that lasts a lifetime. Two inch base provides extra protection by keeping materials off the floor. Each shelf adjusts vertically in 2-5/64" to accommodate materials of any size. Shelves can also be adjusted on 121/2" centers which are clearly identified... perfect for binders. Generously deep 13-1/2" shelves easily fit larger materials.

Literature Sorters

A HEALTHY OFFICE MEANS GOOD ORGANIZATION!

Literature Sorters

Literature Sorters offer the ultimate in organization and access to company materials, internal documents, forms and paper supplies. They're also great for sorting and distributing incoming mail such as magazines, envelopes, etc. Literature Sorters may be used individually or stacked on top of each other to meet your specific requirements. Our Literature Sorters are constructed entirely of steel, assuring an outstanding value and years of use.

See Available Color Selection (ON BACK COVER)

Card Files

Card Files are your storage solution to a wide variety of nontraditional sized media. Card Files can handle almost anything from paper cards to microfiche all the way to magnetic computer media. You'll find a size that meets your application's requirement with the durability and functionality you would expect.

Literature Sorters, 30-Drawer Organizers & Card Files

We now offer three great options to organize and access company materials, a wide variety of non-traditional sized media and various items you need to store and file. Various sizes allow you to find a size that meets your needs, and all units are welded construction to assure you of outstanding value and years of use.

Thirty Drawer Organizer

This is the answer to those storage and filing problems where traditional size filing cabinets can't organize materials as desired. The thirty drawer unit is the perfect storage solution for a wide variety of items. Anything from small parts to literature or office supplies to company forms can be easily organized and made accessible. The organizer's all-steel construction assures you of an outstanding value and years of use.

Laminated File Cabinets

HIGH VALUE CABINETS AND QUALITY CRAFTSMANSHIP AT BUDGET PRICE

ACI designed cabinets that will meet the color flow and design of any office. Select from over two-hundred color choices. Available in both legal and letter widths. Our Cabinets are built three quarter inch high-density particleboard and horizontal grade high pressure plastic laminates. **This gives you over 200 color choices to choose from.** All cabinets have matching vinyl T-Mold trim edges.

These units will fit under a 29 inch high worksurface. They come available as freestanding units or they may be ordered as mobile units. Drawer locks are standard with all units. Available in File/File or Box/Box/File combinations in both legal and letter widths. **Please specify fabric or laminate drawer fronts when ordering.**

Note: All cabinet drawers as well as cabinet combinations will be keyed alike unless specified differently.

21st Century Filing & Storage

Vibrant Colors — Personal Styling — Simple Design

ACI Now Offers You A Full Selection Of Filing/Storage Units To Complement Any Office.
Lateral Filing, Vertical Filing, Pedestal Files, Storage Units, Bookcases, Kiosk...
Now Available In Over Thirty Colors To Match Any Office Decorum!

Combining simple, clean design with maximum quality and function, Series XXI filing

and storage products are the right choice for the modern office. Featuring ample storage space, System XXI's lateral files can hold most types of media. Sturdy construction ensures the long life of the product. Choose between cost effective, preconfigured lateral files and files with 1 1/2" upright spacing for nonstandard filing requirements. Drawer configurations include a range of interior options from traditional hanging files to storage for EDP requirements. Notched, heavy-gauge drawer sides can accept legal, letter, and metric-size hanging folders.

Lateral Files

THE RIGHT CHOICE FOR THE MODERN OFFICE

access to internal contents.

These Laterals addresses the needs of the 21st century office employee with its media drawers. Users can configure 6" drawer interiors to hold diskettes, video tapes, stationery, and more.

Laterals features patented interlock. The interlock promotes safety by preventing more than one drawer from opening at a time. By automatically restaging, the interlock also prevents damage to the system if the drawers are removed and reinstalled.

The receding door mechanism's nylon glides prevent metal-to-metal contact, allowing smooth motion. The mechanism also features integral brackets that control outward movement and prevent doors from lifting out of the tracks and scraping on components above.

DESIGN-YOUR-OWN FILING SOLUTION

NEED SOMETHING MORE PERSONAL TO MEET YOUR NEEDS

TELL US WHAT YOU WOULD LIKE AND LEAVE THE REST TO OUR DESIGN TECNICINANS

Specify your own personal storage and filing configurations and we will take care of the rest!. Anything goes with the design your-own system. We start with a Basic shell and add drawers (available in 3" to 15" heights) and/or cabinet doors and accessories include: posting shelves, locking tie bars, rollout shelves, receding doors, binder hanging bars, shelf dividers, reel inserts, compressor followers, and coat rods. The design-your-own filing system fits the user's specific and unique needs. Quality Series XXI features are included in the design-your-own files—patented interlocks, single-bit locks, counterbalance weights, heavy-duty suspensions, doublewall construction drawer fronts, internal bracing, and top and bottom reinforcements.

SAMPLE 1

48-7/16" High Shell:
2—15" Receding Doors
1—15" Drawer

A posting shelf conveniently extends from the 1-1/2" opening of a lateral file, making notetaking possible at a moment's notice.

In the design-your-own system, 3" drawers are ideal to store maps and other large sheets of paper. Drawers are available in 3" to 15" heights.

Binder hanging bars are an available accessory in the design-your-own filing system. The binder frame is field installable and holds 3" of filing material.

Laterals addresses the needs of the 21st century office employee with its media drawers. Users can configure 6" drawer interiors to hold diskettes, video tapes, stationery, and more.

access to internal contents.

Vertical Files

SIMPLE DESIGN PACKED FOR SPACE

The simple design of Series XXI vertical files along with its perimeter cabinet dimensions echo that of the other Series XXI offerings. The Series XXI vertical files feature: adjustable glides, safety interlock, and removable lock. The cabinets are available in letter and legal (15" and 18") widths; in two, three, four, and five drawer configurations. Drawers can be configured with folder bars for hanging file storage or compressor followers for traditional tab folder storage (or a combination of both). As strong as it is versatile, the Series XXI vertical file is constructed of heavy-gauge steel and a welded internal box frame. Additional strength is provided by heavy top and bottom bracing and a hidden brace welded to the front of the five drawer unit.

All units include a lock. Keying is random unless otherwise specified at time of order entry.

Legal Size -Legal-sized vertical file cabinets are 18" wide.

Glide Adjustment -Glides that adjust from inside the cabinet make installation even easier.

Compressor Followers - User-friendly compressor followers adjust by pulling up and moving forward or backward in 1" increments.

Folder Bars -Hanging file storage is easily managed with field- installable folder bars.

Pedestal files are the solution to any office storage need and complement other files and office furnishings. Select from freestanding or mobile models. These pedestal are versatile and strong. Standard

PEDESTAL FILES TO FIT YOUR OFFICE DECORUM

models fit under 20", 24", or 30" deep worksurfaces. Drawers are available in 3", 6", 12", and 15" heights, accommodating most office supplies or computer printouts. Pedestals are made of 18- to 22-gauge cold-rolled steel. The pedestals feature welded box frame construction that provides a sturdy mount for drawers. Drawers open and close smoothly due to heavy-duty, ball-bearing suspensions. Screw-mounted, double-wall drawer fronts are easily changed. Random key-alike or master-key combination locks provide security for the end user.

An available cushioned pedestal top converts a standard mobile pedestal to a cushioned office side chair.

An optional pencil tray stores and organizes pens, pencils, paper clips, and other office supplies.

Available dividers provide back support for side-to-side hanging files (legal size). Pedestals feature heavy-duty, ball-bearing slide arm suspension, allowing for smooth, yet durable, operation.

Steel Bookcases

VERSATILITY AND DEPTH

Bookcases are at home in any office setting. Their versatility is readily apparent in their available depths, widths, and heights, as well as in their adjustable shelves. The bookcases coordinate well with the lateral file line and come in both standard and accent finishes. Bookcases are available in 12" 15" and 18" depths.

KIOSK

Personal Storage

PERSONAL STORAGE AND FILING ALL IN ONE!

Multiple Storage options in one comprehensive system. The personal Storage Kiosk provide alternatives to ordinary filing systems.

Kiosks were designed to provide wardrobe space to hold a coat or change of clothes; drawers for filing needs; open shelves to display items, or a closed cupboard for additional storage. Both the

kiosk with open bookshelf and kiosk with hinged doors are constructed of 18- and 22- gauge steel.

Versatility is also a feature of Personal Storage cabinets. The cabinets accommodate shelf, wardrobe, and media storage requirements. With lateral file combinations files can be linked with cabinets to combine filing and storage functions.

Cabinets can be configured as half lateral file and half storage cabinet, adding to their adaptability. With so many options and a sharp image, personal filing and storage products are clearly the right choice for today's office. Kiosk includes a 6" wide full height wardrobe area with a separate lock and coat hanger rod. See

Available Color Selection (ON BACK COVER)

STORAGE CABINETS ARE ALSO AVAILABLE
