## Purchase of Articles By Public Agencies

**C**orrectional Industries exist primarily for providing a work-training program for inmates of the Department of Corrections. Our secondary and equally important purpose is to assist all state departments, institutions, and political sub-divisions of the state in securing their requirements to the extent that we are able to supply them.

### Frequently Asked Questions

Q: What is ACI?

A: ACI is Alabama Correctional Industries, a division of Alabama Department of Corrections.

Q: What does ACI do?

A: ACI utilizes inmate labor to produce goods and services that are sold to governmental entities within the State. The revenues generated go to offset the costs of incarceration and provide inmates with job skills and practical work experience that facilitates a successful re-entry into society upon their release.

Q: Who can buy from ACI?

A: Goods and services provided by ACI can only be acquired by those entities whose operational budgets are funded all or in part by tax revenues (e.g. state, county, and city governmental and educational organizations).

Q: Doesn't state bid laws require me to take bids on items over certain dollar amounts?

A: State agencies may purchase any amount of goods and services from ACI without competitive bidding. This saves time and money for you. In most cases, local government entities may also purchase from ACI without soliciting competitive bids. Please consult your local purchasing regulations if in doubt.

Q: If I qualify, how can I purchase from ACI?

A: Two ways:

1. You can contact our Sales offices at (334) 261-3600 for more information and to request that one of our salespersons come to see you.
2. You can personally visit our showrooms at 1400 Lloyd Street in Montgomery. Our sales staff will be glad to show you what we have to offer.

Q: Why should I buy from ACI?

A: While Alabama statute requires that State agencies purchase the goods and services that ACI provides, ACI prefers to market its products on the basis of exceptional quality at a reasonable price. Purchasing from ACI also helps fulfill our mission of providing meaningful work experiences for inmates. National studies have shown that structured inmate work programs reduce recidivism rates, which result in additional savings of tax dollars.

Q: Does ACI deliver?

A: Yes, ACI offers free shipping and installation or set up with every purchase (not just loading dock drop-off !!).

# Lateral Files

WHEN OFFICE SPACE IS LIMITED, LATERAL FILES ARE THE ANSWER

The main ingredient is ability: durability, reliability, and expandability. The Essentials lateral offers this and more. It's cost-conscious and easy to specify, which makes it perfect for filling in the gaps without going over budget.

Protect and organize all your most important documents with the durability, practicality, and attractiveness of Allsteel lateral File cabinets.

Practical and reliable, The Essentials™ model integrates with systems, complements any interior design, and is easy on the bottom line.

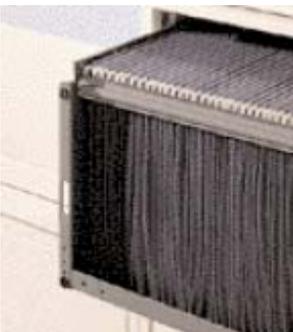

Ball-bearing suspension means Essentials™ drawers move smoothly and quietly, regardless of the weight of the contents.

An optional posting shelf pulls out effortlessly to provide a temporary worksurface for making a note or holding files in transit.

Available in 2-dwr., 3-dwr., 4-dwr., and 5-dwr. Units in widths of 30", 36" and 42"

### Locks Included in All Cabinets

**Dual-side Locking**

Drawers and doors lock on both sides to prevent being pried open.

**Interlock System**

This mechanism inhibits roll-out of more than one drawer or shelf, either sequentially or simultaneously.

**Fully Enclosed Bottom**

Double bottoms are welded into all files for added rigidity.

**Four Hex-head Leveling Glides**

Leveling glides can be adjusted from outside or inside the case. Because of the hex-head design of the stem, leveling can be done even when the file is fully loaded. Range is 1".

**Suspension**

Telescoping, ball-bearing slides.

**Pull Style**

All Cabinets have integral Pull Handles allows for total design coordination on projects.

**Side Knockouts**

Files have knockouts on each side to allow easy ganging of freestanding units to inhibit tipping.

**Paint Finish**

Durable baked enamel finish is applied over rust-inhibiting phosphate pre-treatment.

**Hanging Frames**

Side-to-side come standard. Front-to-back filing option — hang rails are required.

**Counterweights**

Counterweights included and factory installed as required.

# Fireproof Files

SECURITY, PROTECTION AND PEACE OF MIND

**W**hat are your most important documents? How would losing these documents affect your business? What are you doing to protect them?

**THE RIGHT FIREPROOF FILE IS NOT JUST THE ANSWER. IT'S A SERIES OF QUESTIONS.**

## FIREKING VERTICAL FILES—Class 350 One Hour Fire Protection

FireKing vertical 31" deep files add a lot of protection to any office. For a modest one-time investment, you'll rest easier knowing that FireKing's most popular fireproof files are protecting your business. Vertical files are available in 2-, 3- and 4-drawer sizes, as well as letter and legal widths. A UL-listed high security Medeco™ lock is standard. A variety of additional locking options are available. Choose from nine standard colors (Black, Brown, Platinum, Sand, Parchment, Pewter, Tan, Champagne, and Taupe). A complete range of accessory and interior options are also offered. Keep your records safe and on-hand with UL Class 350 1-hour fire protection that carries Fire King's lifetime warranty.

## FIREKING VERTICAL FILES—350 Two Hour Fire Protection

The ultimate in fireproof records protection. This is the only American-built insulated files with a 2-hour fire and impact rating from underwriters Laboratories. That's because they are made with Thermocell II® a proprietary insulation which provides twice the protection. Available both letter and legal sizes. A UL-listed, high security Medeco key lock comes standard. Nine standard colors to choose from. Available in 2-, 3-, or 4-drawer models.

## FIREKING LATERAL FILES—Class 350 One Hour Fire Protection

The FireKing lateral files offer you all the features of the vertical files in a sleek design. They're fully equipped to handle both letter and legal hanging files-no additional frames are required. They're available in 31", 38" and 44" widths in 2-, 3- and 4-drawer sizes, with a UL-listed Medeco key lock. Additional locking options are available. And like the vertical files, they're available in nine standard colors. Peace of mind that fits your office and your sense of style.

# Utility Storage

THE PERFECT CHOICE FOR OFFICE OR INDUSTRIAL APPLICATIONS.

If you're looking for value on storage cabinets we have the perfect choice for office or industrial applications. 3-point door locking mechanism, raised bottom and built-in shelf support tabs. Ready for use when delivered.

## Deluxe Storage Cabinets

The Deluxe Series Storage Cabinets have set the standard for quality, convenience and performance for over thirty years. Heavy gauge steel throughout and 16 Gauge door frame construction combined with up to four knuckle-hinges to make these the most rugged cabinets of their kind.

### Deluxe Features:

- Adjustable Shelves
- Four Knuckle-Hinges Per Door
- Three-Point Locking
- Built-in Shelf Support
- Size Options
- Reinforced Doors
- Two Brushed Chrome Handles
- Raised Base
- Two Adjustable Levelers
- Ventilation Louvers
- Heavy Gauge Steel

## Standard Storage Cabinets

The standard Series Cabinets offer many of the same features of the Deluxe, including heavy-duty construction, three-point door locking mechanism, raised bottom and built-in shelf support tabs. All at an exceptional value. It's the perfect choice for office or industrial applications.

### Standard Features:

- Adjustable Shelves
- Three Leaf-Hinges Per Door
- Three-Point Locking
- Built-in Shelf Support
- Size Options
- Reinforced Doors
- Chrome Handles
- Raised Base

## Jumbo Storage Cabinets

Need extra capacity for those "big" storage problems? The 48" wide cabinets provides 13 more cubic feet of storage than a 36" wide cabinet. The specially engineered shelves utilize box-formed construction to accommodate heavy loads even with the extra wide shelf span. Extra wide doors ride on four heavy-duty leaf-hinges while a three-point locking system ensures secure storage for even the bulkiest materials.

## Combination Storage Cabinets with Rollout Lateral File Drawer.

These popular 36" wide cabinets give you both: a rollout lateral file for hanging files and up to four adjustable shelves for that much needed workstation storage. For confidential materials, these cabinets offer secure access thanks to its key lock and locking bars that secure both doors. For added security the Lateral Drawer has a separate lock and key.

## Bookcase/Storage Cabinet

This cabinet allows you to place valuable materials in the lower cabinet, which can be locked or place everyday materials at your fingertips using the upper shelves of the bookcase.

### Adjustable Shelves

Shelves are adjustable in 2" increments without tools. Our integrated shelf support tabs mean there are no clips or added parts to lose.

### Optional Casters

Add mobility to Standard and Deluxe cabinets. Perfect for offices and other areas where materials need to be secured yet accessible to workers at different locations. Adds 6¾" to cabinet height.

### Three-Point Locking

Just turn the handle and doors lock at three points for maximum security. Nylon guides help make operation quiet.

### Raised Base

Cabinet Bases use a "box" construction technique for added overall stiffness. The base also keeps materials out of harm's way from cleaning liquids.

# Records Filing Shelving

THE RECORDS FILING SYSTEM THAT'S RIGHT FOR YOUR BUSINESS.

**A** open records filing shelving system that is versatile, cost-effective and low-cost solution to all of your filing needs. Whether it's office record filing or healthcare record filing we have the right choice for you.

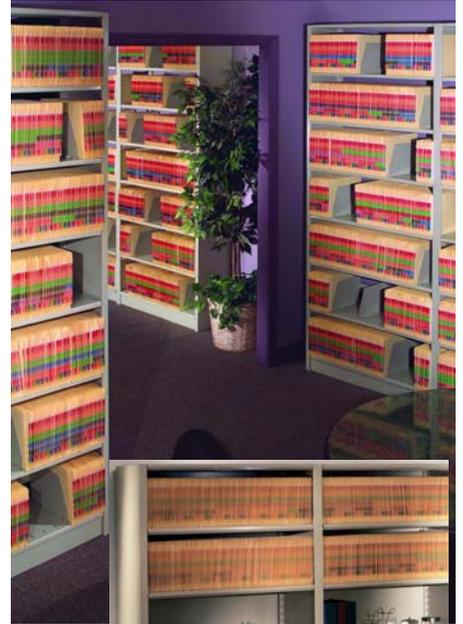

L&T Shelving provides the highest filing density per square foot, whether you're filing letter or legal-sized documents. L&T can be configured to offer single or double-sided record access for easier filing and retrieval in less space. Compared to conventional four-drawer vertical files you would need 100 square feet of floor space to hold 1500 linear inches of material, while L&T Shelving only needs 40 square feet. That's a floor space savings of 60%.

L&T Shelving offers a wide array of components designed for open shelf filing applications. Choose from 22 or 18 gauge shelves based on load requirements. Optional backs, file dividers and reference shelves allow you to build or expand a system to meet your filing needs.

Handling odd sized and oversize diagnostic records is a snap with L&T X-Ray Shelving. Our sturdy 18-gauge shelves, with optional reinforcements, can be configured to hold up to 1,000 lbs. per shelf. Extra high 12" dividers or optional full-height bin dividers assure that materials stay safely upright and organized.

All L&T Shelving Systems incorporate the ability to be reconfigured at any time to meet changing needs. Its unique keyhole slot design allows expansion as your business needs grow. L&T Shelving's unique design offers the ability to adjust shelves up or down to accommodate your exact requirements. This feature means you store more per square foot than other lesser shelving systems!

L&T Modular Drawer System is the ideal storage solution where small items need to be stored along with filing or larger items. You'll also find that combining L&T Modular drawers with your shelving makes it possible to store 50% more small parts and media in the same space. Each drawer rides on a fully progressive side-arm suspension rated for loads up to 200 lbs. per drawer.

# Pedestal Files

## PEDESTAL FILES TO FIT YOUR OFFICE DECORUM

Our pedestal files are the solution to any office storage need and complement other files and office furnishings

Select from freestanding, hanging, worksurface supporting, and mobile models. These pedestals are versatile and strong. Standard models fit under 20", 24", or 30" deep worksurfaces.

Drawers are available in 3", 6", 12", and 15" heights, accommodating most office supplies or computer printouts. Pedestals are made of 18- to 22-gauge cold-rolled steel. The pedestals feature welded box frame construction that provides a sturdy mount for drawers. Drawers open and close smoothly due to heavy-duty, ball-bearing suspensions. Screw-mounted, double-wall drawer fronts are easily changed. Random key-alike or master-key combination locks provide security for the end user.

An available cushioned pedestal top converts a standard mobile pedestal to a cushioned office side chair.

An optional pencil tray stores and organizes pens, pencils, paper clips, and other office supplies.

The self-aligning hangers interconnect with keyhole slots in pedestals and lock into place with one thumbscrew for under worksurface hanging files.

Available dividers provide back support for side-to-side hanging files. Pedestals feature heavy-duty, ball-bearing slide arm suspension, allowing for smooth, yet durable, operation.

# Laminate File Cabinets

## PEDESTAL FILES TO FIT YOUR OFFICE DECORUM

**ACI** designed cabinets that will meet the color flow and design of any office. Select from over two-hundred color choices. Available in both legal and letter widths.

**The ACI** Designed File Cabinets are made with three quarter inch high-density particleboard and horizontal grade high pressure plastic laminates. **This gives you over 200 color choices to choose from.** All cabinets have matching vinyl T-Mold trim edges.

These units will fit under a 29 inch high worksurface. They come available as freestanding units or they may be ordered as mobile units. Drawer locks are standard with all units. Available in File/File or Box/Box/File combinations in both legal and letter widths. Please specify fabric or laminate drawer fronts when ordering.

**Note:** All cabinet drawers as well as cabinet combinations will be keyed alike unless specified differently.

***We always contract for the highest quality materials at the best price, and offer quality craftsmanship to complete the job!***

# Personal Storage & Filing

## PEDESTAL FILES TO FIT YOUR OFFICE DECORUM

**M**ultiple Storage options in one comprehensive system. The personal Storage Kiosk provide alternatives to ordinary filing systems.

**K**iosks were designed to provide wardrobe space to hold a coat or change of clothes; drawers for filing needs; open shelves to display items, or a closed cupboard for additional storage. Both the kiosk with open bookshelf and kiosk with hinged doors are constructed of 18- and 22- gauge steel. Versatility is also a feature of Personal Storage cabinets. The cabinets accommodate shelf, wardrobe, and media storage requirements. With lateral file combinations files can be linked with cabinets to combine filing and storage functions. Cabinets can be configured as half lateral file and half storage cabinet, adding to their adaptability. With so many options and a sharp image, personal filing and storage products are clearly the right choice for today's office.

**S**torage is more than just a container. It's a solution that integrates with the workplace and supports your workstyle.

**P**ersonal Towers can be an essential part of the productive workplace. That's why Persona integrates perfectly. It gives you the freedom to express your personal taste without sacrificing utility. And it's designed to be the backbone of the productive office.

There's a lot going on inside a Persona personal tower. It's a giant among storage solutions, stacking ample capacity over a small footprint. Available in two heights and multiple configurations.

The personal tower's features make it a valuable companion inside or outside the workspace. Placed inside, it can do the work of lateral and overhead storage; placed outside, it's perfect for defining work areas. A single lock conveniently secures all drawers and doors at the same time.

The wardrobe is fitted with an adjustable shelf above the hanging rail, providing room for personal belongings. With a personal storage area an adjustable shelf can be positioned to make the space fit the need. Additional shelves available for even more storage versatility. Filing storage is available with two or three drawers, with side-to-side or front-to-back filing options. Box drawers can also be specified.
